

Wildfire Social Media Posts:

DID YOU KNOW?

IN PREPARATION FOR WILDFIRE SEASON

We understand the struggle.

Local, professional seed companies have been working to ensure we're prepared with the best quality seeds to address wildfires and other environmental challenges.

Following the rampant wildfire season of 2012, the U.S. Bureau of Land Management (BLM) requested more than

700,000

DID YOU KNOW?

bulk pounds of over **80** unique seed species and varieties on an emergency just-in-time basis

FOLLOWING THE RAMPANT WILDFIRE SEASON OF 2012, THE
U.S. BUREAU OF LAND MANAGEMENT'S
REQUEST OF UNIQUE SEED SPECIES AND VARIETIES
GREW TO:

1,000,000 BULK
POUNDS

THIS MASSIVE REQUEST WAS FULFILLED THANKS TO THE
NATIONAL NETWORK OF PROFESSIONAL SEED SUPPLIERS

asta

THANK YOU

To our national network of professional seed suppliers with
the experience, capabilities, and working capital to
successfully grow, collect, and warehouse the wide range of
seed species and varieties at a large scale, especially during
wildfire season!
